Salutations,

Welcome to the 2023-2024 school year! I am elated to work with you and your children this school year. This new school year will be filled with many exciting things. I look forward to collaborating with you to ensure our students' success. Be sure to keep your eyes open for the calendars, announcements, and postings throughout the school year.

I started my journey in education in 1999; since then, I have been privileged to work in multiple capacities. To name a few, I have been a Teacher, Reading Coach, Adjunct Professor, Principal, Superintendent, and Executive Director. I have worked with eight school districts in the state of Florida and five different states in the United States.

The three main areas of focus for our school are student engagement, academic achievement, and positive culture. I encourage all parents to be involved with the school, complete your PAVE hours, and join the Bulldogs in Action; we need you! Our goal is to provide excellent communication. Some tools we will utilize to communicate with you are Class Dojo, the school website, and our official Facebook page. Should a need arise, feel free to email, call or make an appointment. Our desire is for your child(ren) to achieve at their highest level in every area.

Sincerely,

Marvin D. Pitts, Ed D
